Building the Kumo 3-Seater + Armrests

Please note: The Kumo 3-Seater + Armrests consists of a Kumo 2-Seater + Armrests and an extension frame, The Kumo 4-Seater + Armrests consists of a Kumo 2-Seater + Armrests and two extension frames.

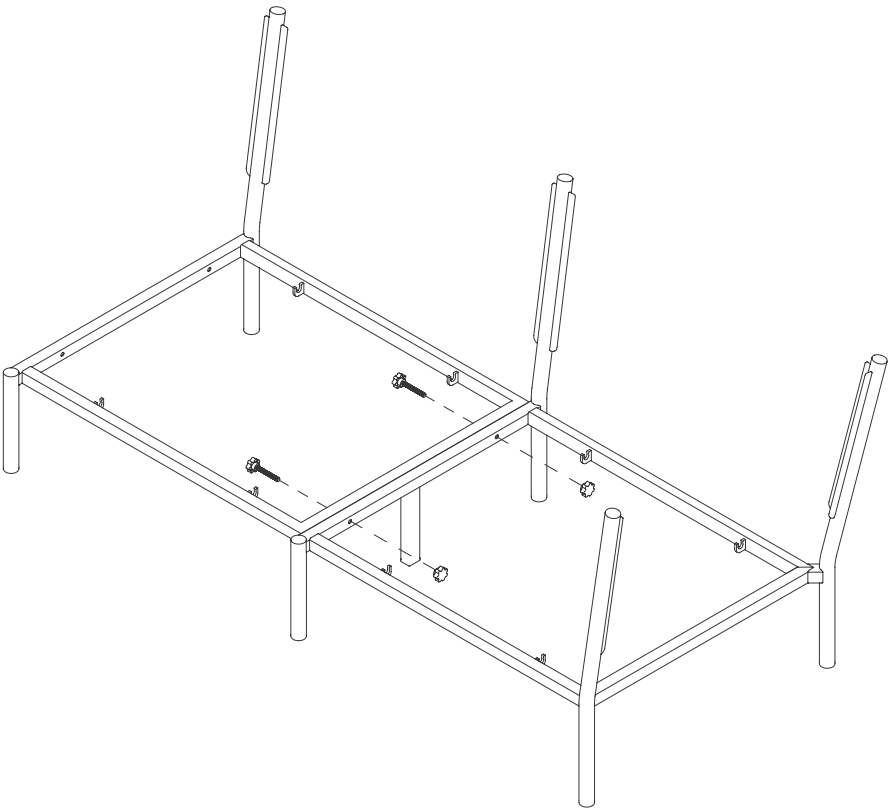

1

Starting with the start frame, the right hand side of the final sofa,
click in all the plastic fittings with the help of a screw driver,
in case they're not in place.

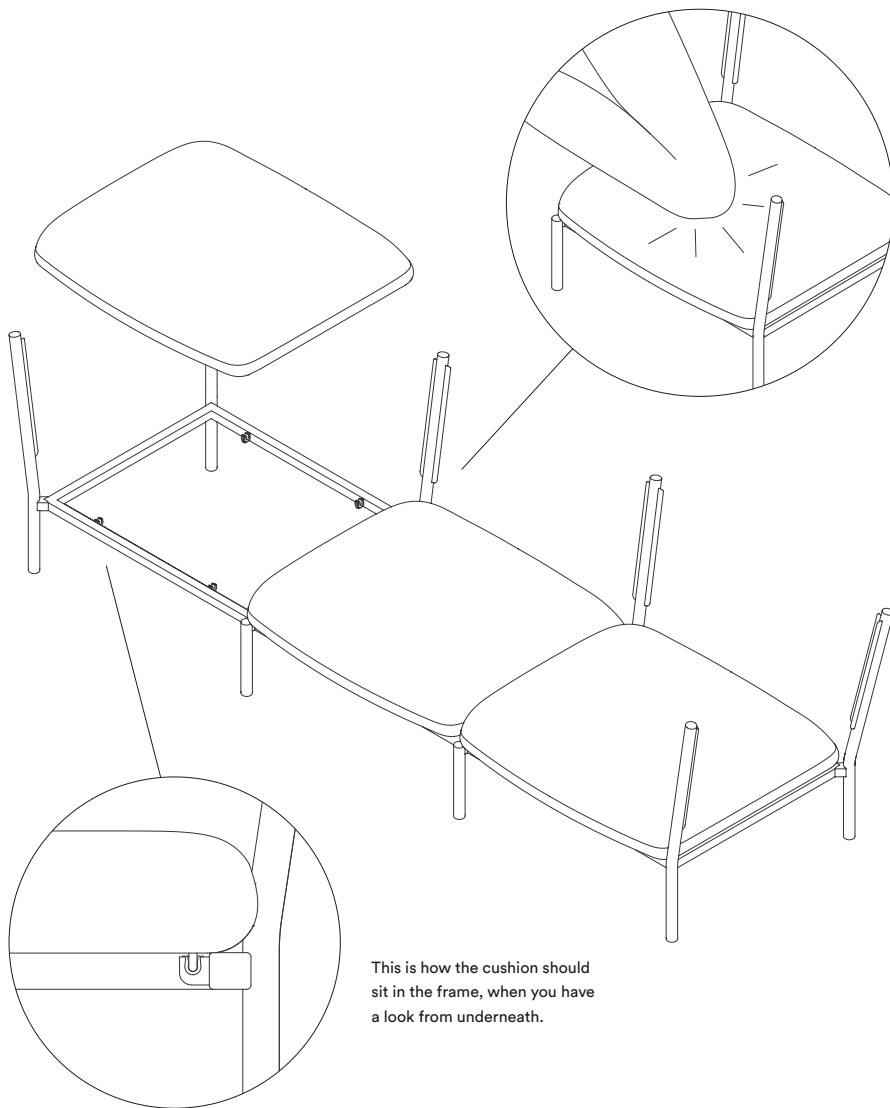

2

Attach the extension frame to the start frame by using the screws provided as seen on the picture below. Repeat the same process with the last frame, the end frame, until your sofa frame looks ready assembled.

3

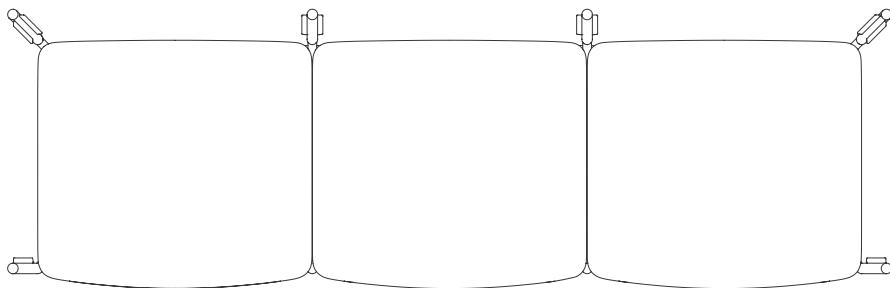

Next, click the seat cushions into the frame.
When you hear a click sound, the cushions sit tightly in the frame.
Use your knee for more force.

4

Your Kumo Sofa should now look like this from the top.
Double check, that you have clicked the seats in correctly
and facing the right way.
