## Mobile storage pedestals

### Pedestal Product Specs

- Heavy duty steel construction
- Cabinet measurements
  - Standard: 15.4" w x 18.5" h x 19.7" d
  - Slim: 11.8" w x 18.5" h x 19.7" d
- Measuring only 18.5" in overall height, ESI's mobile ped will remain untouched even at the lowest position of our 3-stage height adjustable tables.
- Box/file with full extension ball bearing slides
- Locking front casters, stationary rear casters
- Anti-tip front stability caster
- Adjustable divider to accommodate both letter and legal size files
- Ample room for personal items
- 200lb weight seated capacity
- Recessed side pulls for clean aesthetics
- Available in black, silver and white finishes that coordinate with ESI table bases
- Includes two break-away, anti-bacterial keys with Sanitized® coating
- Includes repositionable pencil drawer
- Peds will clear all ESI table feet with glides to allow for extra space under desk
- Meets BIFMA X5.9 standards for performance and stability
- For information regarding master keys, replacement core sets and keyed-alike options, please contact a Customer Service
- Ships fully assembled
- Warranty: 10 yr.
